

SiReNT Promotion Scheme Guidelines

1. Any manufacturer or distributor of GNSS equipment who wishes to participate in the SiReNT promotion scheme may submit the application form with the necessary details of the equipment used in the demonstration. The application form is available online (<https://app.sla.gov.sg/sirent/>) at the Services page. The scheme is only available for equipment to be used in Singapore.
2. Participants in the SiReNT Promotion Scheme may access and use the Real Time Kinematic Service or Differential Global Positioning System service at no cost for a period of 180 days or up to 1800 minutes (whichever is reached first), to demonstrate the use of their equipment in Singapore.
3. A Participant in the scheme will use its best endeavours to promote the SiReNT Services to its customers when it is demonstrating and promoting the use of its brand of GNSS equipment to its customers in Singapore.
4. SLA reserves the right to terminate a participant's participation in the Scheme at any time upon giving three (3) days' notice to the participant.
5. A participant may terminate its participation in the Scheme only with SLA's prior written consent.
6. SLA reserves the right to publish any information about any participants who have participated in the Scheme, and their projects.
7. SLA may, from time to time, amend, vary, or withdraw the Scheme, without prior notice.
8. The above are guidelines only and may be amended or varied by SLA at any time, without prior notice, and are not binding on and do not form part of any offer or contract with SLA.
9. SLA may, at its absolute discretion, approve or reject any proposal to participate in the Scheme.
10. If a participant is approved by SLA, the participant shall be required to enter into a formal agreement with SLA, containing such terms and conditions governing his participation in the Scheme as may be required by SLA.
